

**BC SOCCER**

## **Respect in Sport Activity Leader**

The *Respect in Sport Activity Leader* program is the foundational, on-line training tool for Canadian *Safe Sport*. It educates youth leaders, coaches and participants (14-years and up) to recognize, understand and respond to issues of bullying, abuse, harassment and discrimination (BAHD). The ultimate focus is to build a positive sport culture while adhering to Sport Canada's Safe Sport training requirements. Respect Group fully updates the content and delivery platform every 4 years.

The *Respect in Sport Activity Leader* program is 150 minutes in duration and saves progress automatically to be completed in one or more sessions. The cost of the program is regularly \$30+tax and \$25+tax for members of BC Soccer.

For those who have already completed the program, it is simple to import your certificate with the following steps.

1. Go to <http://bcsoccercoach.respectgroupinc.com/>
2. Select **Already Certified? Import your certificate**
3. Use your certificate number and login credentials to import

If you have any questions or wish to receive immediate technical support, the Respect in Sport Helpdesk is available to assist by email, live chat or phone using the following link and select **Contact Us** <https://support.respectgroupinc.com/>

Members can also reach the helpdesk from any of the Respect in Sport program pages using the **Helpdesk Support** button.

For information on how to set up the program for your membership and for administrative access to the *Respect in Sport Activity Leader* certificates earned by your membership, please contact Stephan Moncayo [smoncayo@respectgroupinc.com](mailto:smoncayo@respectgroupinc.com)
